1. **Relevant Council Policy/Strategies/Budgetary Documents**

   Transport Action Plan – This identifies the need to improve road safety by improving walking facilities on routes to schools and to introduce school safety zones and traffic calming features to reduce speeds.

2. **Consultation**

   None carried out at this time.

3. **Implications**

   (a) Financial Implications – Bids for funding for the school safety zone and zebra crossing will need to be made from the County Council’s Integrated Transport Package.

   (b) Staffing/Resource Implications – The submission of funding bids can be made from existing resources.

   (c) Property Portfolio Implications – None identified.

   (d) Legal Implications - None identified.

   (e) Environmental/Sustainability Implications - None identified.

   (f) Planning Implications - None identified.

   (g) Human Rights Issues (Legal) - None identified.

   (h) Equalities - None identified.

   (i) Crime and Disorder Implications - None identified.
